

# Guide to Holiday Package Management

## General Tips for Keeping up with Deliveries

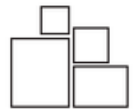

The winter holidays are the busiest time of the year for package management, and during peak delivery weeks, even extensive systems can fill to capacity.

**Best practices to keep on top of spikes in package volume, and make the season as jolly as the holiday itself.**

① Reassign House Account Packages Quickly

② Set Aside Held & Vacation Packages

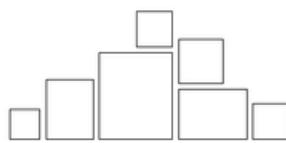

③ Audit Multiple Times A Week

④ Lower Your Return to Sender Time

⑤ Reach Out to Your Luxer One Representative Any Time

### Did You Know?

Package volume **increases by 80%** during the winter holidays.
